New Pathways in Mathematics

Developmental Math and Credit Math courses in Just Two Semesters

New Math Pathway vs Algebra Pathway

The new math pathway might be the route for you.

New Math Pathway

- Foundations MATH 0308
- Quantitative Reasoning MATH 1332

or

- Statistics MATH 1342

STOP

Algebra Pathway

- Elementary Algebra MATH 0310
- Intermediate Algebra MATH 0320
- College Algebra MATH 1314

STOP

The new math pathway lets you complete a developmental math course (Math 0308) along with a credit frameworks course (PSYC/EDUC 1300) in the first semester and complete Statistics (Math 1342) or Quantitative Reasoning (Math 1332) in the second semester.
