TEXAS COMISSION ON LAW ENFORCEMNT (TCOLE) REQUIREMENTS

The Basic Peace Officer Course (BPOC) in the College of the Mainland Law Enforcement Training Center is governed by the laws and regulations of the State of Texas, the Texas Commission on Law Enforcement, College of the Mainland and internal LEA standards and practices approved by the Law Enforcement Academy Advisory Board.

The amount of material in this application may appear daunting but it is necessary to ensure that cadets meet the criteria for licensure by the State.

College of the Mainland is an accredited College and Academic Provider of Law Enforcement Training.

Academic provider--A school, accredited by the Southern Association of Colleges and Schools or its successors and the Texas Higher Education Coordinating Board, which has been approved by the commission to provide basic licensing courses.

(3) Accredited college or university--An institution of higher education that is accredited or authorized by the Southern Association of Colleges and Schools, the Middle States Association of Colleges and Schools, the New England Association of Schools and Colleges, the North Central Association of Colleges and Schools, the Northwest Commission on Colleges and Universities, the Western Association of Schools and Colleges or its successors, or an international college or university evaluated and accepted by a United States accredited college or university.

College of the Mainland cannot accept any student to the LEA that does not meet TCOLE Licensing standards.

TCOLE States:

Sections 1701.251 and 1701.253 of the Texas Occupations Code (TOC) requires that TCOLE draft, implement, update, and regulate preparatory and continuing education courses for every type of law enforcement license it regulates. The Commission administers said training mandates through authorized law enforcement academies (LEA's) and approved contractual training providers. A list of all training mandates is readily accessible on the TCOLE website.

Section 1701.255 of the TOC requires that TCOLE establish minimum qualifications for enrollment in any basic licensing course. This section specifically prohibits the enrollment of an individual who does not meet the minimum requirements stipulated under Rule 217.1.

Section 1701.304 of the TOC requires successful completion of a licensing exam for any license issued by TCOLE. Eligibility requirements to take licensing examinations may be found in Section 219.1 of the Administrative Rules.

Basic Training Requirements

Peace Officer

Peace officer applicants are required to successfully complete the current Basic Peace Officer Certification courses (#1000696) and pass the licensing exam prior to being licensed.

DISQUALIFICATIONS FROM ACADEMY

Disqualification for Licensure – Criminal Conviction

Section 1701.312 specifically disqualifies a person from being licensed as an officer, county jailer or telecommunicator if the person has been convicted of a felony offense. A felony conviction exists if the person has been adjudged guilty of a felony offense under the laws of Texas, another state, or the United States Code. Further, Chapter 217.1 disqualifies a person who has been convicted of a Class B Misdemeanor offense for a period of 10 years and a person convicted of a Class A misdemeanor for life. Waivers are obtainable 5 years after conviction, under certain circumstances, for misdemeanor offenses, and are addressed in Rule 211.30.

A person adjudged guilty of a disqualifying offense but placed on probation is for all licensing purposes considered to be convicted. Key phrases like “adjudged guilty” or “found guilty” are a clear indication of a permanent conviction. This type of adjudications will be treated as convictions regardless of whether: (1) the sentence is subsequently probated, and the person is discharged from community supervision (aka “*deferred adjudication*”); (2) the accusation, complaint, information, or indictment against the person is dismissed and the person is released from all penalties and disabilities resulting from the offense; or (3) the person is pardoned for the offense, unless the pardon is granted expressly for subsequent proof of innocence.

Under current Federal Statutes (U.S. Code, Title 18, Crimes and Criminal Procedure, Part 1, Crimes, Chapter 44, Firearms, Sections 921(a)(33)(A)&(B), and 922(d)(g)&(h)) a person convicted of any crime involving domestic violence or subject to any type of restraining order issued by a court of competent jurisdiction is prohibited from owning or possessing firearms or ammunition – which automatically disqualifies the individual from being licensed as a peace officer. Furthermore, administrative rules prohibit the issuance of any TCOLE license to a person convicted of an offense which involved family violence.

Section 1701.553 of the Occupations Code makes it a state jail felony to appoint or retain a convicted felon (see also sections 1701.312 and 1701.313). **It is also a criminal offense to knowingly make a false statement on any TCOLE license application.**
