About a Career in Surgical Technology

A career in surgical technology is a rewarding opportunity to play a vital role in healthcare. Surgical technologists work alongside surgeons and nurses, ensuring procedures run smoothly and patients receive the best care. This fast-paced field requires attention to detail, adaptability and a passion for making a difference. With strong job growth and the chance to enter the workforce quickly, surgical technology is an excellent choice for those seeking a meaningful and dynamic career.

Surgical Technology Degree Path

Course	Title	Hrs
Prerequisite		
ENGL 1301	Composition I	3
