

(c) Based upon market conditions as of the date of this Election Order, the maximum net effective interest rate for any series of the bonds is estimated to be 4.00%. Such estimated maximum interest rate is provided as a matter of information, but is not a limitation on the interest rate at which the bonds, or any series thereof, may be sold. In addition, the estimate contained in this subsection (b) is (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the College District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to and does not give rise to a contract with voters or limit the authority of the Board to issue bonds in accordance with the Propositions submitted by this Election Order.

(d) The findings contained in this Section are only estimates provided for Texas statutory compliance and do not serve as a cap on any College District ad valorem debt service tax rate. The statements contained in these findings (i) are based on information available to the College District on the date of adoption of this Election Order, including projections obtained from the College District's consultants, (ii) necessarily consist of estimates and projections that are subject to change based on facts, circumstances and conditions at the time that bonds approved pursuant to this Election Order are issued and (iii) are not intended to limit the authority of the Board to issue bonds in accordance with other terms contained in this Election Order. Accordingly, actual tax rates, interest rates, maturity dates, aggregate outstanding indebtedness and interest on such debt will vary and will be established after the bonds are issued. To the extent of any conflict between this subsection and other terms of this Election Order, such other terms control.
