INTRODUCTION

College of the Mainland (COM) strives to provide a campus safe and secure environment to promote an ideal learning environment for all. Because no college or university campus is immune to criminal activity, COM has developed policies and procedures geared to ensure that reasonable measures are taken to protect the campus community and satellite locations where COM conducts business. To maintain a safe and secure campus, the College of the Mainland Board of Trustees entrusts the College of the Mainland Police Department (COM PD) to deter criminal activity by patrolling the campus, enforcing local laws, state laws, federal laws, and college polices. The campus police department maintains a full-time Chief of Police who is responsible for the day-to-day operations of the police department, public safety, crime prevention, compliance and Clery reporting.

TIMELY WARNINGS

In the event a situation arises on the College of the Mainland campus or satellite locations, that in the judgement of the college leadership (College President, Chief of Police, Emergency Management personnel, or designee) constitutes an ongoing, immediate, or continuing threat, a “timely warning” will be issued. The warning will be issued through COM’s Emergency Mass Notification System to students, faculty, and staff. The College President can authorize an announcement to be posted on COM’s web homepage at www.com.edu. Anyone with information that warrants a timely warning should report the circumstances to the COM Police Department at 409-933-8599 or in person to any College Police Officer.

Students, faculty, and staff are encouraged to register to receive Emergency Mass Notification alerts through the following website, www.com.edu/campus-police, by clicking on “Emergency Notification System.”

EMERGENCY NOTIFICATION

In the event of a significant emergency or dangerous situation, that involves an immediate threat to the health or safety of the campus community, the college will immediately consider the safety of the community, determine the content of the notification message, and initiate COM’s Emergency Mass Notification System. If in the judgement of the responsible authorities that there may be a compromise in the efforts to assist victims, contain, respond to, or otherwise mitigate the emergency, the following procedures will be implemented.

1. The Chief of Police, Police Command Staff, or police personnel will initiate the emergency response to the COM Campus affected by the emergency.
2. Once an emergency or dangerous situation is noted, the Chief of Police, Public Information Officer, or designee will initiate the Emergency Mass Notification System.
3. If the emergency or dangerous situation will affect the larger community external to COM, the COM President or designee will determine the content of the message to be communicated to the public and how to disseminate, such as, the COM Website, radio/TV, media conference, social media, local Emergency Operations Center, etc.

EMERGENCY PREPAREDNESS

The Campus Police Department is responsible for conducting annual emergency response and evacuation exercises in coordination with the COM Chief of Police. The procedure for an emergency is publicized in the COM Emergency Handbook and online at <https://www.com.edu/campus-police/emergency-procedures.html>

The Emergency Mass Notification System is tested at least one time per month. Pre-announced college-wide emergency response exercises are conducted as well as campus specific tabletop exercises and emergency evacuation drills.

ANNUAL DISCLOSURE OF CRIME STATISTICS

The Chief of Police prepares the Annual Security Report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report is located on the College of the Mainland's Police Department website at www.com.edu/campus-police. The report is prepared in cooperation with local law enforcement agencies that border the geographical areas of COM's campuses.

Campus crimes, arrests, and referral statistics include those reported to the COM Police Department. Each year, COM PD sends an e-mail notification to all enrolled students and employees, which provides the website to access the Annual Security Report. Copies of the Annual Security Report may be obtained at the COM Police Department located at 1200 Amburn Road, Texas City, Texas, 77591, Building #16, or by calling 409-933-8403. The current statistics compiled by the COM PD are available at <https://www.com.edu/campus-police/jeanne-clery-act.html>.

Crime reports may also be directed to the Chief of Police at 409-933-8403 or 8403 from any college phone. Suspicious activity in parking lots, campus buildings, or campus property should be reported to the campus police department immediately using the same emergency number listed above.

If the crime of murder, sex offense, robbery, aggravated assault, burglary, or motor vehicle theft occurs and there is potential for the continuation of the crime, a timely warning shall be posted in accordance with the college policy. According to COM policy, all criminal acts should be reported to the COM Police Department. The immediate reporting of any crime, especially sexual assault will assist in the preservation of evidence necessary to prosecute the person who perpetrated the crime.

CONFIDENTIAL REPORTING PROCEDURES

If you are a victim of a crime and you do not wish to reveal your identity or pursue criminal action within the criminal justice system or disciplinary action with COM, you may file a confidential report with the Title IX Coordinator. The purpose of the confidential report is to comply with the individual's wish to keep the identity of the victim confidential while taking the steps to ensure the safety of all. Reports filed in this manner are counted and disclosed in the annual crime statistics.

COM does not employ counselors whose official duties include psychological or pastoral counseling. Information collected from an individual requesting confidentiality which involves potential danger to the campus community may be reported to law enforcement authorities by College of the Mainland in an effort to maintain public safety.

COLLEGE POLICE

College of the Mainland employs uniformed police officers who provide 24/7 service 365 days a year. COM PD is responsible for the enforcement of college policies and local/state/Federal laws. COM PD has the authority to request personal identification to determine whether individuals have lawful business at College of the Mainland and the authority to arrest when necessary. The campus police department works in conjunction with the Texas City Emergency Manager and other college officials to provide security awareness information and safety presentations for the campus community.

BUILDING SECURITY AND ACCESS

All campus buildings are patrolled on a regular and ongoing basis and are secured by campus police officers or by automated access control systems at the close of operational hours. Access to secured college facilities during non-operational hours is restricted to authorized individuals who have been assigned card access or have been given permission and access by the campus police department.

All maintenance issues discovered or reported to the campus police are forwarded to the COM Facilities Services Department in a timely manner. All maintenance issues that could cause a risk of harm or danger are reported immediately to the Director of Facility Services, a supervisor, or designee for immediate corrective action.

SECURITY AWARENESS AND CRIME PREVENTION

Campus police officers document and report security and safety issues or concerns discovered during their patrols of buildings and property. The information collected is forwarded to the Director of Facility Services through a work order.

Ongoing crime prevention information, such as, active shooter response and personal safety is available upon request.

OFF-CAMPUS STUDENT ACTIVITIES

COM does not have off-campus student organizations. COM students who commit criminal offenses, whether on or off campus, are subject to the jurisdiction of the campus police and local police agencies of the locality in which the offense was committed.

Students may be subject to college disciplinary action for on or off campus conduct. Disciplinary action by the college is not a criminal process, and the double jeopardy doctrine does not apply to student discipline. The college may elect to process a charge of misconduct against a student if the student receives criminal charges or subject to criminal charges arising out of the same act. The college will not delay its processing of a matter because of pending criminal charges, a trial, or an appeal.
